JUGHEAD NO. 153 FEB. MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — $5.00

REPORTER
JULIE ANN DELAY
Box 106
Cape Yakataga, Alaska 99560

Dear Archie,

I would like to tell you about last summer's experience with a bear. This incident happened at the beginning of school.

It was early in the evening that we decided to go to a dump in the woods, to see if there were any bears. When we got to the dump there weren't any bears so we decided to go home. Just as we were ready to park the car by the road we saw a black bear eating half lamb's food on our back porch!

Our Mom and Dad told us to stay in the car while they went in to get the gun and camera. Meanwhile the bear was still chomping away . . . until he saw Dad with the gun. Then he walked slowly down the porch, and when he was just about past a corner of the back part of the house he turned around, and looked at Dad and Mom. Dad took a picture and the bear went on around the house. Dad followed and took a shot with the gun. The bear turned around and charged Dad but Dad got in. By then we were all in.

About thirty minutes later Dad went out to let our dog in. But he wasn't there! Something else was! Can you imagine being about a yard away from a black bear? Oh boy! He slammed the door and held it there for about three minutes. By that time the bear was in the woods. The next morning our dad was working and we were in school. So Mom was alone at home. So she was going to let our dog in, and that same bear was on the porch!! She called up Dad, and he killed the bear. Now we have a big bear pelt!

SECOND PRIZE — $3.00

REPORTER
JOHN MANOUEL
A.P.O. 09125
Box 1252, New York, N.Y.

Dear Archie,

When we were driving through Yugoslavia early in the morning we saw a boulder in the road ahead of us. When we came to it we tried to avoid it by driving around it. Doing so our left tires got stuck in a seven or eight inch ditch. We all got out of the car. My mother sent my brother to get a friend, and when they came back we all tried to figure out a way to get the tires out. Other men walking by stopped to help. Nearby there was a pile of bricks. We took some bricks and made a ramp for the tires. We put the car in reverse and got out. It took about two hours to get out. The men who helped refused any small payments so we gave them each a package of cigarettes that we had left in the car. We made it to our destination and were only a couple of hours late.

THIRD PRIZE — $2.00

REPORTER
CARRIE CHRISTOFFERSON
3 Thorndell Drive
St. Louis, Mo. 63117

Dear Archie,

This is my first news report, so for a starter, I think I will tell you about myself.

I am eleven and half years old. I have two sisters and five brothers, ranging from

23 (almost 24) years of age to 7.

When I was six months old, we moved to this large, old house, and have lived here ever since.

Lately I have been studying magic, and I now know several tricks. I have been trying to earn a little extra money and giving magic shows is a good way of doing so.

I also put on puppet shows. Last Christmas, one of my gifts was a puppet theatre with six marionettes. It has been very useful to me this summer.

Next summer I plan on starting a playschool for younger children with lots of things to read and do. I'm sure one of the major attractions will be Archie comic books.

FOURTH PRIZE — $1.00

REPORTER
RITA SCHROEDER
671 51 Street
Brooklyn, New York

Dear Archie,

One day when just my brother and I were in the house, I had nothing to do. So I found two old calendars with thermometers on them. My brother got an ice cube from the freezer and lit a candle. Then he put a thermometer near each one of them. The one near the ice cube went down to 30 degrees but the one near the candle went up to 120 degrees and popped. That was really fun!

FIFTH PRIZE — $1.00

REPORTER
DIANE SCHULTZ
34026 Sequia
Westland, Mich. 48184

Dear Archie,

I am writing to you about my pet duck named George. Two years ago my teacher got some duck eggs from a nearby farm and my class hatched them in an incubator. I got one of them when the duck was only a week old. When naming my duck, I thought it was a boy. But I found out differently this past winter when she began laying eggs. This spring while we were having a garage built, I left my duck at my friend's house. She has two male ducks. The ducks mated and five weeks later George began sitting on several eggs. The eggs are due to hatch any day now. I am very excited.
